MSS Happenings

MSS Eagan raised \$400 at its Car Wash Fundraiser! It was a major success and the hotdogs and desserts were delicious.

Several people got their wheelchair or walker washed at MSS Shoreview if they brought in a food item to donate to the food shelf. 116 lbs. of food was collected!

There was nothing but food, fun and games at this year's MSS Carnival in Apple Valley. The [dunk tank](#) was a major hit!

Local indie band, Har-di-Har, performed for MSS Eagan. The music was amazing and everyone had a great time!

Mission Moments

Holly enjoys art but did not have many opportunities for artistic expression before attending MSS. Tile making is a new medium in which she can express herself. Our staff describes Holly's style of tile making as one that definitely stands out. She tends to use variations of pink and red and has a unique texture pattern that is unable to be recreated by others. Holly enjoys making tiles and has been very proud of the art she has created. **Self expression is important to Holly. Holly is important to us.**

MSS in the Community

MSS attended the 2015 East Side Collaborative Employment & Resource Fair to meet qualified candidates interested in open positions at MSS. This was also a great opportunity to help the people we support find potential jobs!

Upcoming Events

- MSS Celebrate! Event—Oct. 24 from 6-10:30 p.m. at the University of St. Thomas Anderson Student Center

A Word from Lyth

“Our Bee Keeping activity at Shoreview is something we can all be proud of. We think that we might be the only center in the nation supporting adults with disabilities that are actually doing Bee Keeping as a program activity.” Read Lyth’s letter [here](#).
